July 2009

Dear PBKACA member,

Did you know?

- That the Phi Beta Kappa Association of the Chicago Area has chosen two Chicago Public High School students as co-recipients of our 2009 Scholarship Award?
- That Darrius Quarles, a graduate of Kenwood Academy, will be attending Morehouse College with plans to become a pediatrician?
- That Alexander Langendorf, a graduate of Lincoln Park High School, will be attending Carleton College with a potential double major in English and mathematics with plans to become a teacher – and ultimately write a book, “even if not one to be published.”
- That college today is outrageously expensive and can cost between \$45,000 and \$50,000 or more per year – and the need for financial help from all sources has never been greater.

Our Phi Beta Kappa Association is committed to providing financial assistance to gifted and financially needy Chicago Public School students – with your help. We need your contributions for our current scholarship fund and also to build our PBKACA Endowment with a goal of not less than \$500,000. This would allow us to fund each award recipient through four years of college with a \$5,000 grant.

We want everyone to give something, a little or a lot, whatever you can afford. Any donation will contribute to helping these students.

We are enclosing our Scholarship Contribution form for you. You may also donate through our website: www.pbkaca.org. If you would like to discuss stock donations and also planned giving opportunities, please contact me by email or at my office: 312.988-9996. We will provide tax deductible receipts for all donations since we are a 501(c) (3) charitable organization.

Warmly,

Judi Strauss-Lipkin
President PBKACA
